In accordance with section 46D of the ESOS Act, in the event of a Provider default, the Provider must either:

Definitions:

Default day refers to:

- the agreed starting day or

1.5 The Tuition Protection Service (TPS) for International Students

In the unlikely event the College is unable to deliver a course you have paid for and does not meet their obligations to either offer you an alternative course that you accept or pay you a refund of your unspent prepaid tuition fees (this is called a provider's 'default obligations'), the TPS will assist you in finding an alternative course or to get a refund if a suitable alternative is not found. The following process must be followed in the event of provider default:

Step 1 – Provider default occurs

The College defaults if:

- the course did not start at the location on the agreed starting day
- the course ceased to be provided at the location at any time after it commenced but before its completion
- the college is prevented from providing a course at a location because a sanction has been imposed under part 6 of the ESOS Act 2000
- the course was not provided in full because a condition has been imposed on the registration of the College on CRICOS, or the registration has been suspended or cancelled, and the student has not withdrawn before the occurrence of any one of the events stated above.

Step 2 - Notifying the Secretary, the TPS Director and students

- Under section 46B of the ESOS Act, the College must notify the Secretary and the Tuition Protection Scheme (TPS) Director of the default within 3 business days of the default occurring. The College must also notify affected students. All notices of any such default must be in writing.

Step 3 - Provider obligation period

- Under section 46D of the ESOS Act, the College has 14 days after the default day to satisfy its tuition protection obligations to affected students studying on a student visa.

Step 4 - Notification of the outcome - discharge of obligations

- Under section 46F of the ESOS Act, the College has 7 days after the end of its obligation period to give a notice to the Secretary and the TPS Director of the outcome of the discharge of its obligations. This notice must comply with the requirements of section 46F of the ESOS Act.
- If the College does not meet its obligations affected students studying on a student visa may be assisted by the TPS Director.
